Used Instruments

Generally speaking Flutes, Clarinets, Trumpets and Trombones sell for \$250 to \$350 depending mostly on cosmetic condition. Alto Sax generally sell for \$400 to \$600 used. The used instruments we sell have been serviced and are ready to play. We offer a 1 year warranty on the used instruments we sell. The warranty does not cover damage due to accidents or misuse of the instrument. It does cover pads, corks, springs, and organic parts that might wear out..

Repairs to family owned instruments

We will gladly give you a free estimate on any cleaning or repairs of an instrument that you already own. These can run from \$30 to over \$200 depending on the age and condition of the instrument.

Rent to Own

We have a Rent to Own option that gives you the chance to pay as you go on an instrument. We repair and service the instrument and it is insured if stolen.

Flutes, Clarinets, Trumpets and Trombones rent for \$32 a month. Saxes and Oboes rent for \$59 a month. Maintenance is included in the rental price and you can return the instrument at any time without further payments.

Many Happy Days of Music Await You. Thanks for Coming.
